OCTOBER 1973

## ONCE AGAIN - - OUR BEST EVER

Each catalog we've printed (eight so far this year) has had the best selection of rare coins we have ever offered prior to that issue. This issue is no exception. People are quickly discovering our fast, courteous service, proper (accurate & conservative) grading, and consistently honest and fair value. Over 90% of our business is re-orders from satisfied customers. And as a result, our business is growing at an unheard of pace.

Needless to say, we will never change our policy. Of course, we cannot compete with bargain basement dealers who offer so-called "Choice BU" coins at way below dealer wholesale, but we can offer correctly U.S. graded coins at a reasonable mark-up from true wholesale prices. We would rather earn your confidence, than trick you out of it!

## INVESTMENT PACKAGES OF RARE COINS

Occasionally we get requests from investors to put together packages for them of choice & rare U.S. coins that we consider to be a good investment. We will gladly do this, and will include only coins which we feel are good buys on today's market. There is no extra charge for this, but we require a minimum order of \$500.00 on the packages. All coins, incidentally, are invoiced separately, and any coins that you're not satisfied with, may be returned for a full refund.

## ADVICE

Whatever your investment or collecting needs, we are anxious to help. Whether it is suggestions on what to buy for future appreciation, or help in locating a coin you are searching for, or suggestions for the method of disposing of your holdings, drop us a line or give us a call. A member of our staff will be happy to discuss anything and everything regarding numismatics with you. Our business is rare coins, and we are here to serve you in any way we can.

## GIVE US A TRY

If you are a steady customer of ours, you are already familiar with the advantages of dealing with us. If you are not, there is only one way to find out for yourself - - send us a trial order. Allow us to introduce you to the best values in the coin business today. We know you will like the way we do business. Let us hear from you soon.

Best regards,  
Jim Halperin & the  
N.E.R.C.G. staff

## UNSOLICITED TESTIMONIALS

"This is my second order this month. I am quite pleased with the accuracy of your grading and with your prompt service."  
Dr. C.M.W., Staten Is., N.Y.

"I purchased two dimes from you at the A.N.A. and appreciate your fair grading."  
J.R.S., Milwaukee, Wisc.

"Buying coins from you has really been a pleasure and I am really looking forward to the next shipment."  
J.B., Homewood, Ill.

"A very nice group of coins, very reasonably priced."  
R. H., Sisterdale, Tx.

"I was most pleased by the 1880 Proof Gold Dollar ordered from you last August. It has become a much admired part of my collection and is the most accurately described coin I have ever ordered by mail. Keep up the fine work, your place in the numismatic world is appreciated by all."  
J.S., New York, N.Y.

"Your accurate grading and prompt service are very much appreciated. I have done a good deal of shopping around and N.E.R.C.G. is the only firm I continue to deal with. I plan to expand my orders. This is my first laudatory letter to a coin dealership and it well deserved."  
W.C., Charlotte, N.C.

"I received my 1925 Stone Mtn. comm. half. It had no scratches, real nice toning. I showed it around and got some real nice comments on it. It is beautiful to me, you are well up on grading Choice BU's."  
L.C., Leckie, W.Va.

"I have just received the 2 \$20 gold pieces I ordered and I can understand why you get letters of praise. I think by far this is the finest selection I have ever received through the mail. It's nice to know there is an honest dealer to do business with."  
S.S., Willingboro, N.J.

GRADING TERMS: If you're tired of receiving overgraded dollars, read this: MS-60--Strictly brilliant Unc, full mint frost and no rubbing, as taken from original mint rolls. These coins will have normal bagmarks and normal strikes for the date. (excessive bagmarks or horrible strikes will be noted separately) These are NOT sliders, or even ugly BU's. In fact, some call them gem, choice, select or whatever.

MS-65--Choice brilliant Unc, well struck with minimum bagmarks. These are normally called gems on today's market. Generally our MS-65's will please anyone, and are comparable to or better than most dealers' MS-70 coins!

MS-70--True GEM BU, virtually perfect, fully struck coins with essentially NO bagmarks. Many dates simple do not exist in true MS-70 condition (although you see so-called MS-70's of these dates offered for sale quite often.)
